

Children Kidney Screening Package Available at Quality Healthcare

In alignment and support of the Hong Kong Government's response to the recent incidents of melamine-tainted milk products in the Mainland and here in Hong Kong, Quality Healthcare has set up a comprehensive network of designated medical centres across the territory to conveniently provide children kidney screening services, for the assessment of their kidney health conditions.

The **Children Kidney Screening Package** includes

- 1) Consultation by General Practitioners or Pediatricians,**
- 2) Urine Sample Analysis,**
- 3) Ultrasound for Kidney and Bladder**

The above screening package costs **HK\$1,200**.

Please call up our **24-hour Customer Service Hotline** at **8301 8301** for any enquiries and booking.
