

Influenza Vaccination Subsidy Scheme (IVSS)
Available at Quality HealthCare Medical Centre

The Department of Health has introduced an Influenza Vaccination Subsidy Scheme (IVSS) to encourage influenza vaccination of Hong Kong children between the age of 6 months and less than 6 years.

We are pleased to announce that Quality HealthCare has enrolled in the scheme. From now till **March 31, 2009**, parents can bring their children who are eligible under the scheme, along with their birth identity documents, such as Hong Kong Identity Card or Birth Certificate to our designated medical centers* to enjoy a discounted fee (\$80 subsidized by the government) on influenza vaccination service.

For further details, please refer to the government website, www.chp.gov.hk or call our Customer Services Hotline **8301 8301**.
