

Quality Healthcare ONE Shop

MEETING ALL YOUR HEALTHCARE NEEDS

Quality HealthCare ONE Shop was opened on 4 March 2004 at the ground floor of our Sheung Wan office. We were very honoured to have Mr. Mark Wong, our finance director, Mr. Alex Law, COO of QHMS, Mr. Stanley Lee, Operations Manager of QHES, and Ms. Linda Chan, Executive Director of QHN, officiated the opening ceremony for us.

At this shop, a variety of healthcare consumables, personal care goods, and medical products are available. Our customer service representative is familiar not only with the products available at the shop but also with the full range of healthcare services available under the umbrella of Quality HealthCare. Henceforth, anyone who is looking for a healthcare product or a certain kind of healthcare service needs to look no further –

come to Quality HealthCare ONE Shop and you will be able to find what you need. Or simply call 2975 2300 and our customer service representative will be able to assist you.
