

MEMORANDUM

To : All staff of QHMS / QHA / QHP / QHN / QHES

From : Dr Lincoln Chee

Date : 6 February 2004

Re : **Operation Santa Claus**

I want to offer my thanks and gratitude to everyone who contributed either financially or with their time and service in rallying support for the Children's Heart Foundation under Operation Santa Claus.

There was widespread support from all levels in Quality HealthCare to achieve the target of \$200,000. Doctors alone contributed about \$46,000 and we are thankful.

Quality HealthCare hopes to participate annually in a worthwhile project that is consistent with our calling to alleviate suffering and improve people's lives. It is a privilege that we can be in a position to contribute to the community of Hong Kong.

Best wishes to all,

Dr Lincoln Chee
Executive Director
