

Partnership Fund for the Disadvantaged

It is a privilege for Quality HealthCare to be in a position to contribute to the community of Hong Kong and have chance to show our support to the Partnership Fund for the Disadvantaged.

The Fund aims to incentivize the welfare sector to expand their network in seeking and securing corporate participation, and to encourage the business sector to take up more social responsibility in helping to create a cohesive, harmonious and caring society. The Government will provide matching grants to donations made by business organizations to support non-governmental organizations (NGOs) promoting social welfare projects.

To show our support to the Fund, we provided our company name and logo to be displayed in the Kick-off Ceremony on 7 March 2005.
