

**Quality HealthCare Services Ltd. Scholarship (2003/04)**

**In support of the new HealthCare Assistant Diploma Program organized by Vocational Training Council, Quality HealthCare is pleased to offer a Scholarship to Hong Kong Institute of Vocational Education for outstanding participants of this program.**

**In the current shortage of registered nurses in the Hong Kong market, we congratulate VTC for coming up with such an excellent program to meet the market demand and Quality HealthCare supports this program further with offering internship placement at our medical centres.**

**We wish VTC every success in this program.**
