

Following last year's tradition, our Company has pledged to support Operation Santa Claus and our target is to raise at least HK\$150,000 for the Hong Kong Society for the Deaf. Together with Quality HealthCare, IBM and Microsoft will also be supporting the Hong Kong Society for the Deaf. The funds raised will be used to provide a proper vocational training centre for the Deaf focusing on computer and internet training. This type of innovative program will not be supported by government funding and the Society needs our support to achieve this goal.

The Society was founded in 1968 and its vision is to provide comprehensive and professional services to ensure equalization of opportunities for the hearing impaired, and to promote self-development, self-actualization and integration of hearing impaired persons. One of our ENT specialists, Dr. Buddy Wong is in fact the Society's chairman and has been actively supporting the Society for many years. We encourage our doctors to be actively involved in community and will support where we can.

Your donation cheque can be made payable to "Operation Santa Claus" and mailed to

Julie Chow
Director of Corporate Communications
Quality HealthCare Asia Limited
4/F, 303 Des Voeux Road Central
Sheung Wan, Hong Kong.

Just to add a little flavour to this activity, the Company is sponsoring two round trip tickets business class to Bangkok for any of our staff who donates the most, and again, receipts will be issued for any donation above \$100 for tax purpose. Please do not hesitate to contact Julie Chow at 2975 2388 if you have any questions.

Thank all of you for your support in advance!
